Chairman's Message

“Strong performance is never an accident. It is born out of strategic thinking, clarity of vision and a powerful mission. At UJAAS our performance and sustained profitable growth defines our capacity to deliver superior operations and financial outcomes over the long term”

Dear Stakeholders,

It is that time of the year again for me to fulfill the pleasant duty of apprising you of your Company's performance during financial year 2015-16 and how I see it going forward.

During the year under review, your Company has marked an increase of 146% in its standalone turnover which is at INR 2771.17 Million (in

comparison to FY15) with the Net Profit of INR 208.8 Million for the year ended March 31, 2016.

Power is one of the most critical components of infrastructure, crucial for the economic growth and welfare of nations. The existence and development of adequate infrastructure is essential for sustained growth of the Indian economy. Electricity demand in the country is increasing rapidly and is expected to rise further

in the years to come. Although per capita electricity consumption of India was 1010 KWh in year 2015, which is very low from global standards. China is having almost 5 times and USA almost 12 times consumption. But, in renewable energy India took a very good lead and ranks third (3rd), just behind US and China, on back of strong focus by the government on promoting renewable energy and implementation of projects in a time bound manner. The initiative of our Hon'ble Prime Minister by making India a hub for International Solar Alliance (ISA) with 121 member countries and head quarter in India. This visionary step of our H'ble PM will bring India in a leadership position for Solar.

During the period beginning from April 2000 to March 2016, the Indian Solar Power industry attracted US\$ 10.48 billion in Foreign Direct Investment (FDI). The staggering repercussions of climate change and country's strive for affordable energy security are the driving forces of India's ambitious drive to change the energy mix in favor of renewable energy sources. The Management envisions leveraging this opportunity to erect and maintain 5 GW of solar power for our clients by 2022. This constitutes 5% of the government's total mandate of 100GW.

During the year under review, your Company

- a) Won tenders from Oil India Ltd., Sardar Sarovar Nigam Ltd., Airport Authority of India, etc.
- b) Added more than 30 MW private clients in our parks business. We added another solar park to our portfolio of parks which now stands at 7 sites spread across Madhya Pradesh and Maharashtra. Your company now manages 145 MW solar power plants which has a predictable operations and maintenance revenue stream locked in for 25 years.
- c) Has commissioned over 3690KW of roof top

plants till March 2016. We won orders from highly reputed PSU clients like Solar Energy Corporation of India (SECI), NFL, UPNEDA, NTPC, NALCO, IOCL. Marquee clients in the private sectors include RPG Spencer's and Avon Cycles.

I and my colleagues in the board are very upbeat about our prospects in the coming year. Given the opportunities awaiting us and the challenges associated with growing organization we have chosen to professionalize our management. Mr Manish Agarwal an alumnus of IIT Kanpur and IIM Ahmedabad with over 20 years of corporate experience with Global companies like Citibank, Dell, Deloitte has joined as our Chief Operating Officer from October, 2015. A professional Management will enable the promoters to spend more time on working out the strategic direction for the company and develop new ideas/products for our esteemed customers. I send my best wishes to Mr Manish and his team.

We look forward to the company delivering superior shareholder returns while meeting our obligations of corporate social responsibility.

Finally, I would like to take this opportunity to thank our valued customers, our bankers and our employees for their consistent support. My special thanks to the Board of Directors for their conscientious guidance, the Company's leadership team for their enthusiasm and efforts; all of which has contributed to your Company's growth.

With Best Wishes,

Shyam Sunder Mundra
Chairman & Managing Director

STATEMENT SETTING OUT THE MATERIAL FACTS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 5 to 7

Mrs. Aarti Jhaveri, Mr. Santosh Muchhal and Mr. Rajiva Kumar Srivastava were appointed as Independent Directors by the members at the Annual General Meeting held on 26th September, 2014, for a period of 2 (Two) years effective from 01st April, 2014 to 31st March, 2016.

As per Section 149(10) of the Companies Act, 2013, an Independent Director shall hold office for a term upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company. Further, as per Section 149(11) of the Companies Act, 2013, no independent Director shall hold office for more than two consecutive terms, but shall be eligible for re-appointment only after the expiration of three years on the completion of the two consecutive term of becoming an independent Director.

In line with the aforesaid provisions of the Companies Act, 2013, Mrs. Aarti Jhaveri, Mr. Santosh Muchhal and Mr. Rajiva Kumar Srivastava, Independent Directors had completed one term of their appointment and are eligible for re-appointment for a second term as per Section 149(10) of the Companies Act, 2013.

In view of the rich experience and continued valuable guidance provided to the management, the Board of Directors, on the recommendation of Nomination and Remuneration Committee, re-appointed Mrs. Aarti Jhaveri (DIN: 00851063), Mr. Santosh Muchhal (DIN: 00645172) and Mr. Rajiva Kumar Srivastava (DIN: 02465001) as an Additional Director (Independent) for a further period of two consecutive years commencing from 1st April, 2016 to 31st March, 2018.

Mrs. Aarti Jhaveri, Mr. Santosh Muchhal and Mr. Rajiva Srivastava do not hold any shares in the Company.

The above Independent Directors have given a declaration that he/she meets the criteria of independence as provided under Section 149(6) of the Companies Act, 2013.

In opinion of the Board, Mrs. Aarti Jhaveri, Mr. Santosh Muchhal and Mr. Rajiva Srivastava fulfills the condition specified in the Companies Act, 2013, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1) (b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") for their appointment as an Independent Directors of the Company.

All the documents referred in the notice are available for inspection by

the shareholders at the Registered Office of the Company on all working days between 11.00 A.M. and 1.00 P.M. up to the date of ensuing Annual General Meeting.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise in passing the above resolution except Mrs. Aarti Jhaveri, Mr. Santosh Muchhal and Mr. Rajiva Srivastava and their relatives to the extent of the shareholding in the Company, if any.

The Board of Directors recommends the resolution(s) set out at item No.5, 6 and 7 to be passed as Special Resolution(s).

Item No. 8.:

The Company is in the business of Solar Energy Power Generation. The Board of Directors is of the opinion that the Company requires additional funds to meet with the needs of growing business, in addition to the funds raised internally and through debt from banks and financial institutions. Hence it is imperative to have enabling approvals to raise a part of the funding requirements for the said purposes as well as for such other corporate purposes as may be permitted under applicable laws through the issue of appropriate securities as defined in the resolution, in Indian or international markets.

Accordingly, It is proposed to raise funds of upto Rs.500 crores in one or more tranches through a mix of equity/equity-linked instruments, as may be appropriate. The Members' approval is sought for the issue of such number of Equity Shares, Global Depository Receipts (GDRs), American Depository Receipts (ADRs), Foreign Currency Convertible Bonds (FCCBs), and/or Equity Shares through Depository Receipt Mechanism and/or Fully Convertible Debentures (FCDs) and/or Non Convertible Debentures (NCDs) with warrants, or any other financial instruments convertible into or linked to Equity Shares and/or any other instruments and/or combination of instruments with or without detachable warrants with a right exercisable by the warrant holders to convert or subscribe to the Equity Shares or otherwise, in registered or bearer form or any combination of Securities through public issue(s), private placement(s) or a combination thereof, including issuance of Securities through a Qualified Institutions Placement under Chapter VIII of the SEBI (ICDR) Regulations.

The Board may in their discretion adopt any one or more of the mechanisms prescribed above to meet its objectives as stated in the aforesaid paragraphs without the need for fresh approval from the shareholders of the Company.

The pricing of the Securities that may be issued to qualified institutional buyers and to other buyers under the Private Placement shall be freely determined subject to such price not being less than the price calculated in accordance with the SEBI (ICDR) Regulations. The Company may, in accordance with applicable law, offer a discount of not more than 5% or such percentage as permitted under applicable law on the price determined pursuant to the SEBI (ICDR) Regulations. The “Relevant Date” for this purpose will be the date when the Board or the Committee of the Board thereof decides to open the Issue for subscription.

The Special Resolution also seeks to give the Board powers to issue Securities in one or more tranche or tranches, at such time or times, at such price or prices and to such person(s) including institutions, incorporated bodies and/or individuals or otherwise as the Board in its absolute discretion deem fit. The detailed terms and conditions for the issue(s)/offering(s) will be determined by the Board or its committee in its sole discretion in consultation with the advisors, lead managers, underwriters and such other authority or authorities as may be necessary considering the prevailing market conditions and in accordance with the applicable provisions of law and other relevant factors.

The Equity Shares allotted or arising out of conversion of any Securities would be listed. The offer/ issue/ allotment/ conversion/ redemption would be subject to the availability of regulatory approvals, if any. The conversion of Securities held by foreign investors into Equity Shares would be subject to the applicable foreign investment cap and relevant foreign exchange regulations. As and when the Board does take a decision on matters on which it has the discretion, necessary disclosures will be made to the stock exchanges as may be required under the provisions of the Listing Agreement.

Section 62 of the Companies Act 2013 provides, inter alia, that when it is proposed to increase the issued capital of a company by allotment of further Equity Shares, such further Equity Shares shall be offered to the existing shareholders of such company in the

manner laid down in Section 62 of the Companies Act, 2013 unless the shareholders in a General Meeting decide otherwise. Since, the Special Resolution proposed in the business of the Notice may result in the issue of Equity Shares of the Company to persons other than shareholders of the Company, consent of the shareholders is being sought pursuant to the provisions of Sections 42, 62 and other applicable provisions of the Companies Act, 2013 as well as applicable Rules notified by the Ministry of Corporate Affairs and in terms of the provisions of the Listing Agreement executed by the Company with the stock exchanges where the Equity Shares of the Company are listed.

The Special Resolution, if passed, will have the effect of allowing the Board to offer, issue and allot Securities to the Investors, who may or may not be the existing shareholders of the Company.

None of the Directors and Key Managerial Personnel and any of their relatives are deemed to be concerned or interested in the passing of resolution, except to the extent of shareholding in the Company if any.

Copy of all the documents mentioned herein above would be available for inspection by the shareholders at the Registered Office of the Company between 11:00 a.m. and 1:00 p.m. on all working days from the date hereof up to the date of the AGM.

The Board of Directors of the Company recommends the resolution as set out under item no. 8 for the approval of the shareholders as a Special Resolution.

MANAGEMENT DISCUSSION AND ANALYSIS

A. INDUSTRY STRUCTURE AND DEVELOPMENTS

1. GLOBAL ECONOMY OVERVIEW

In the financial year 2015-16, global economic activity continued to remain subdued. The emerging markets and developing economies, which account for around 70 percent of the global growth, declined for the fifth consecutive year, while the advanced economies continued to recover slowly. There were few key influencing factors to the global economy.

China's economy witnessed a faster than expected slowdown due to rebalancing economic activities moving away from investment and manufacturing towards consumption and service related activities.

Energy and various commodity prices witnessed a decline. Lower oil prices strain the fiscal positions of fuel exporters and weigh on their growth prospects, while supporting household demand and lowering business energy costs in importers. However, strain due to oil shock and its impact on investment climate and weak pick-up in oil-consuming economies due to limited pass-on of lower prices has resulted in global growth stalling.

The United States has been going through a gradual monetary policy tightening scenario where the U.S. Federal Reserve lifted the federal funds rate from the zero lower bound, while monetary easing continued in the euro area and Japan. Prospects of a gradual increase in policy interest rates in the United States as well as bouts of financial volatility amid concerns about emerging market growth prospects have contributed to tighter external financial conditions, declining capital flows, and further currency depreciations in many emerging market economies.

According to IMF, Growth in advanced economies is projected to rise by 0.2 percentage points in 2016 to 2.1 percent, and hold steady in 2017. Growth in emerging market and developing economies is projected to increase from 4 percent in 2015—the lowest since the 2008–09 financial crisis—to 4.3 and 4.7 percent in 2016 and 2017, respectively.

2. INDIAN ECONOMY OVERVIEW

India remained a relatively bright spot in the global economy with its growth story continuing to bloom. One of the contributors to the strong growth experienced by the Indian economy was the sharp decline in crude oil prices. According to Asian Development Bank estimates, the Indian economy grew at 7.6% in FY2015 (ending 31 March 2016). Despite a weak monsoon for a second consecutive year, agriculture grew by 1.1% in FY2015. While the industry and private consumption accelerated to a growth of 7.3% and 7.6% respectively, the services growth moderated to 9.2%.

India continued to remain at the top of Nielsen's global consumer confidence index for the sixth quarter in a row. The Foreign Direct Investment (FDI) inflows increased 40 per cent during April-December 2015 to reach USD 29.44 billion, compared to same period last year. Also, India's foreign exchange reserves remained comfortable at USD 356 billion in the week up to March 25, 2016.

The regulatory regime witnessed easing and the Reserve Bank of India (RBI) cut interest rates four times as inflation eased sharply. Rate cuts had been widely called for by the industry to reduce the cost of borrowing and help stimulate growth. The government's strong focus on reviving growth was evident from the Union

budget, where the Finance Minister gave relief to small tax payers, nudged the affluent to shell out more while focusing on the rural economy with much higher fiscal outlays. The Finance minister also reaffirmed that the government would continue the reform agenda to usher in the long awaited GST by passing the Constitutional Amendment Bill in the Parliament.

On the government initiative front, the "Make in India scheme", "Smart cities plan", "Jan-Dhan Yojna", Digital India plan", "Skill Development & Start-up India initiatives", "Power for All", "UDAY", "Housing for All", "Scheme to revitalise public sector banks", "Ease of Doing Business (EoDB) initiative" and other ambitious infrastructure programmes present significant opportunities for investors to be part of one of the largest development programmes in the world. These programmes are expected to transform not only the cities and the country as a whole, but also the way business is done in India.

As per the World Economic outlook released by the IMF, India will be the fastest growing major economy in 2016-17 growing at 7.5%, ahead of China, at a time when global growth is facing increasing downside risks. India's growth is expected to continue to be driven by private consumption, which has benefited from lower energy prices and higher real incomes. With the revival of sentiment and pickup in industrial activity, a recovery of private investment is expected to further strengthen growth.

3. GLOBAL RENEWABLE OVERVIEW

2015 is the year when global policy came together at The Paris Climate Change Conference, COP 21, and signalled that they intend to support aggressive de-carbonizing initiatives on a global scale. What this means for the power sector is that public financing and market reforms will support the growth of advanced energy technologies all over the world.

According to Bloomberg New Energy Finance, Investment into renewable energy in 2015 hit a record breaking \$329 billion. Irrespective of policy changes, 60% of the \$12 trillion of investment forecasted to meet electricity demand in the next 25 years comes from renewable energy.

At the end of 2015, global renewable generation capacity amounted to 1,985 GW. Hydro accounted for the largest share of the global total, with an installed capacity of 1,209 GW.

Three-quarters of this was in large-scale plants of over 10 MW. Wind and solar energy accounted for most of the remainder, with an installed capacity of 432 GW and 227 GW respectively. Other renewables included 104 GW of bioenergy, 13 GW of geothermal energy and about 500 MW of marine energy (tide, wave and ocean).

Renewable generation capacity increased by 152 GW or 8.3% during 2015, making this the sixth consecutive year that renewable capacity has grown by about 8% or more. Wind energy capacity increased by 63 GW (17%) followed by solar energy, with an increase of 47 GW (26%). Hydropower capacity increased by 35 GW, while both bioenergy and geothermal energy increased by 5% (5 GW and 1 GW respectively). Overall, capacity has increased by about one-third over the last five years, with most of this growth coming from new installations of wind and solar energy.

Over 80% of the world's renewable capacity is in Asia, Europe and North America. Asia accounted for 58% of new capacity in 2015,

bringing its total to almost 800 GW or 40% of global capacity. Asia was also one of the fastest growing regions, with a 12.4% increase in renewable capacity. Capacity increased by 24 GW (5.2%) in Europe and 20 GW (6.3%) in North America.

With the exception of South America, the other global regions account for a smaller share of global renewable capacity, but capacity increased by about 5% or more in all of these regions. Particularly noticeable was the increase of 14.5% in Central America and the Caribbean, where a number of major solar plants were commissioned in 2015. However, the expansion of renewables remains mostly focused on a few countries, with only 19 countries installing over one gigawatt during 2015 and these countries accounting for over 90%.

4. INDIAN RENEWABLE OVERVIEW

Despite fossil fuels still accounting for 75 percent of its energy mix, India is a major renewable energy market (with the sixth largest renewable energy capacity). Renewable energy projects in India are being developed and commissioned at a much higher pace, as the market responds to fillips by the government to encourage investment in the sector. In particular, new financing mechanisms announced by India should facilitate increased investment and installed capacity, and help India get closer to meeting its installation goals for both wind and solar.

The Ministry of New and Renewable Energy reported that India added 6,937 MW of grid-connected renewable energy capacity during FY2015–16. This is one and a half times more than the target of 4,460 MW set at the start of the financial year. Additionally, 176 MW of distributed renewable energy capacity was also added.

Capacity additions in solar and wind energy beat the targets comprehensively in the grid-connected segment. A total of 3.3 GW of wind capacity was added against a target of 2.4 GW. Rush by project developers to commission projects before the reduction of feed-in-tariffs was one of the reasons for a high quantity of capacity addition. For now, wind energy remains the most attractive renewable energy technology in terms of capacity addition. At the end of the last financial year, grid-connected wind energy capacity in India stood at 26.7 GW, representing a share of 62.5% of the total grid-connected renewable energy capacity installed in the country.

Over 3 GW of grid-connected solar power capacity was added in

India against the target capacity addition of 1.4 GW making grid-connected solar power capacity additions more than twice the target. Further, this was the largest solar power capacity addition in a financial year. The high capacity addition was the result of multiple solar power auctions at the central and state government levels.

Capacity additions in off-grid bioenergy projects also beat the target, but the off-grid solar power sector saw a sharp jump in capacity addition against the target. A total of 50 MW of distributed solar power capacity was targeted for addition, against which 87.7 MW capacity was added, taking the total off-grid solar power capacity operation in the country to 314 MW.

The total power generation capacity installed in India on 31 March 2016 was 298 GW, of which renewable energy projects represent just over 14% at 43 GW capacity.

5. INDIAN SOLAR OVERVIEW

In June 2015, the government revised its target of 20GW solar capacity addition by 2022, under the Jawaharlal Nehru National Solar Mission (JNNSM), to 100GW – 5x, over the same period. 60GW out of the targeted 100GW will be set up on utility scale while the remaining 40GW will be in the form of rooftop and other small grid-connected projects. India is all set to become the fourth largest solar market globally in 2016 behind only China, USA and Japan with 5.4 GW of expected capacity addition during the year. The tailwinds are exceptionally strong with rapidly falling costs and greater environmental agenda in the post COP21 world along with the Ministry of New and Renewable Energy’s (MNRE) target of 12 GW of utility scale solar projects for FY 2016-17.

The most buzzing topic for the sector right now is the intense competition with tariffs coming down sharply to INR 4.34-5.00/unit (\$0.07-0.08) levels. The company, however, has chosen not to participate in the developer business and continues to remain asset-light. On the policy front, the Solar Parks Policy and UDAY scheme have been hailed largely as a successes but the broader sector policy reform through amendments in the Electricity Act 2003 is still awaiting parliamentary approval.

A. OPPORTUNITIES AND THREATS

i. Solar RPO Regulations

On the regulatory front, solar RPO norms (including draft orders which are yet to be finalised by SERC) have been amended in three states namely Tamil Nadu, Maharashtra and Jharkhand in the last four months. The SERC in Tamil Nadu has significantly increased solar RPO norm from 0.5% in FY2016 to 5% in FY2018. The SERC in Maharashtra has extended the solar RPO trajectory till FY2020 while gradually increasing the solar RPO norm from 0.5% in FY2016 to 3.5% in FY2020. The SERC in Jharkhand in its draft order has extended RPO trajectory till FY2020 and also gradually increased solar RPO from 1% in FY2016 to 4.5% in FY2020. Thus extension in RPO trajectory coupled with upward revision in solar RPO norms as seen in these states are positive developments for the domestic solar energy sector.

Nonetheless, the overall solar RPO norms still show wide divergence across the states and are, by and large, below

national RPO targets laid down in National Action Plan on Climate Change (NAPCC). SERCs in 24 of the 30 states have declared solar RPO targets for FY2017 which vary from 0.2% to 2.5% for the obligated entities. Significantly, two states with large solar potential, viz. Rajasthan and Gujarat are yet to announce the solar RPO targets beyond FY2017. Thus, the timely revision of the state solar RPO norms to bring them in line with the solar RPO target of 8% for FY2022 as per National Tariff Policy (NTP), 2016, and the compliance of the solar RPO targets by the DISCOMs remains a key monitorable.

Source: ICRA

A few key enforcement highlights with regard to Renewable Purchase Obligation (RPO) are as follows:

- The Appellate Tribunal for Electricity (APTEL) order dated April 28, 2016 which is favourable for the solar sector has stated that “there is no justification for the State Commission for imposing such meagre penalty of Rs.25,000/-. Such meagre penalty will defeat the object behind RPO obligation and REC mechanism. Imposition of such meagre penalty may become a precedent and that may not be in the interest of stated object of promotion of generation of electricity from renewable energy sources.” APTEL has also directed the SERC to hear the parties on the quantum of penalty and pass appropriate order.
- Ministry of New and Renewable Energy (MNRE), Government of

India (GoI) in its advt. dated 17th March 2016 informed all obligated entities to make best use of the REC trading session in order to comply with RPO targets specified by respective SERC /Jt. ERC.

- The Appellate Tribunal of Electricity order against all State Electricity Regulatory Commissions directing them to monitor and enforce RPO of obligated entities
- The Supreme Court judgement directing obligated entities to fulfil their renewable purchase obligation or face penalties.
- Various State Electricity Regulatory Commissions have passed strict orders against obligating entities to meet their RPO.

Further, one of the features of the Ujwal DISCOM Assurance Yojana Scheme is that State DISCOMs will comply with their outstanding RPO. The management is confident that the above enforcement measures by the regulatory authorities will give a boost to the sector.

ii. Solar REC Trading

Ever since the Central Electricity Regulatory Commission (CERC) lowered the band of prices within which ‘renewable energy certificates’ issued to eligible solar power producers could be traded in the market, there have been consecutive record high trading sessions of solar RECs (both in year on year comparison as well as throughout the year) as you can see in the table below. Increase in trading volumes can also be attributed to increasing RPO enforcement.

iii. Transmission Infrastructure

Lack of adequate transmission infrastructure is another major hurdle that India faces, in improving solar power penetration. The creation of solar parks in remote areas requires additional transmission infrastructure. The government is aiming to address this through Green Energy Corridor initiative to ensure creation of power evacuation infrastructure for upcoming renewable capacity.

iv. Change in Accelerated Depreciation

The renewable sector has enjoyed accelerated depreciation (AD) of 80 per cent under the Income Tax Act however with the recent Budget capping the accelerated depreciation tax benefit at a maximum of 40 per cent from April 2018, it is expected to impact projects being set up for the tax benefit. Since the revised AD rates are effective from April 2018, the management expects the coming financial year may see a renewed interest in new project installation. Further, based on internal workings, the returns of a client investing in Ujaas Parks remain the same due to falling solar project costs.

v. EPC business

With over 35 years in the power sector and having commissioned more than 140 MW, the company decided to venture into the EPC business due to the significant opportunities available, while following the company's motto of being asset-light. We are proud to announce that during the year under review, the company has successfully won bids of more than 20 MW of solar power and commissioned 9.9 MW.

B. SEGMENT WISE OR PRODUCT-WISE PERFORMANCE

Your company have three segments of business wise Transformer, Solar Power Plant Operation and Manufacturing & Sale of Solar Power Systems. In Fiscal 2014, 2015 and 2016, revenue from solar power plant operation was INR 2,321.52 lakhs, INR 2,177.63 lakhs and INR 2,995.27 lakhs. Further, in Fiscal 2014, 2015 and 2016, revenue from manufacturing and sale of solar power system was INR 48,063.35 lakhs, INR 8,476.89 lakhs and INR 24,341.90 lakhs respectively. Further, in Fiscal 2014, 2015 and 2016, our Company's revenue from the transformer business was INR 2,169.16 lakhs, INR 455.15 lakhs and INR 374.55 lakhs respectively.

C. OUTLOOK

As guided last year, this year has the seen the company install more than triple the capacity than that achieved in FY15. Similarly, the country itself has achieved more than 3 GW of solar power installations in FY16. With the MNRE targeting 12 GW of installations in FY17, the management believes it is on the same growth trajectory during FY13 and FY14.

Being a market leader in the solar sector and having won orders from respected customers such as Oil India Ltd, Rashtriya Ispat Nigam Limited and Airport Authority of India, we expect to continue excelling and winning significant tenders in the future. The management's vision is to erect and maintain 5 GW of solar power for our clients out of the 100 GW target by 2022.

D. RISKS AND CONCERNS

While the company faces traditional business risks such as un-anticipated labour costs, market risks such as interest rates, operational risks such as been supplier/distributor problems and execution challenges and changes in government regulation, no major risks are foreseen.

Additionally, the company continuously monitors business and operations risks through an efficient risk management system. All Key functions and divisions are independently responsible to monitor risks associated within their respective areas of operations such as production, insurance, legal and other issues like health, safety and environment.

E. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Company's Internal Control System is commensurate with its size, scale and complexity of its operations. The internal audit was Entrusted to M/S Atishay & Associates, Chartered Accountants. The internal Audit team reviews the internal financial control and reports the same to the audit committee of the board. The internal auditors submits the internal audit report comprising of internal financial control adequacy and findings together with other audit findings to the audit committee on quarterly basis. The said Internal audit report is reviewed and evaluated by the audit committee. Thereafter it is kept at the board meeting for perusal of the Board. The audit committee of the Board suggest measures and steps for strengthening the internal audit framework and internal financial control.

F. QUALITY MANAGEMENT SYSTEMS

Your company have successfully implemented SAP Business solution as accounting software. Company installed different modules of SAP like FI(Finance), MM(Material Management), SD (Sales & Distribution), PS (Project System), QC (Quality Control), and HR (Human Resource). Further company continued to be certified under ISO: 9001:2008 by International Organization for Standardization. The Quality Management System in the Company is well defined and is well in place. This will enable your company to meet the challenges related with Information systems, Controls, Planning and Quality.

G. CAUTIONARY STATEMENT

Statement made in the management discussion and analysis report as regards the expectations or predictions are forward looking statements within the meaning of applicable Laws and Regulations. Actual performance may deviate from the explicit or implicit expectations.

I. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED.

Your Company has a very strong Board comprising of experts from the field of renewable energy , finance and business administration. Mr. Manish Agarwal , holding position of COO (Chief Operating officer) is an IIT and IIM alumnus. Along with various qualified and experienced professionals holding positions of business heads, vice presidents and general managers . Below them we have an efficient team of managers

and executives. The total no. of employees as on March 2016 were 273.

CORPORATE GOVERNANCE REPORT

(For the year ended 31st March, 2016)

In terms of Regulation 34(3) read with Schedule V of the SEBI(Listing Obligations and Disclosure Requirements) Regulations,2015 (“Listing Regulations”)

OUR CORPORATE GOVERNANCE PHILOSOPHY

UJAAS (“the Company”) philosophy on Corporate Governance encompasses not only regulatory and legal requirements but also strives to strengthen the trust of all our stakeholders through practices which builds up a strong base for trusteeship, transparency and accountability. Corporate Governance is a blend of laws, regulations and voluntary practices which enable the Company to attract financial & human capital, perform efficiently and thereby perpetuate it into generating long term economic value for its Shareholders, while respecting and balancing the interest of other stakeholders and society at large.

We at **UJAAS** believe in being transparent and we commit ourselves to adherence of the highest standards of business ethics, compliance with statutory and legal requirements and commitment to transparency in business dealings. The Company believes in compliance of all statutes not only in letter but also to the spirit of the statutes.

The Company’s code of Business conduct and ethics, Internal code of conduct regulating , monitoring and reporting of trades by insiders and the Charter- Business for peace are an extension of our values and reflect our commitment to ethical business practices, integrity and regulatory compliance.

The Company continues to focus its resources, strengths and strategies to achieve the vision of becoming a global leader in Solar energy while upholding the core values of Quality, leadership and Excellence.

GOVERNANCE STRUCTURE

The Corporate Governance structure of UJAAS is as follows:

- 1) Board of Directors:** The Board is entrusted with an ultimate responsibility of the management, directions and performance of the Company. The Board provides leadership, strategic guidance, objective and independent view to the Company’s management while discharging its responsibilities, thus ensuring that the

management adheres to ethics, transparency and disclosures.

- 2) Committees of the Board:** The Board has constituted the following Committees viz. Audit Committee, Remuneration and Nomination Committee, Corporate Social Responsibility, Stakeholder Relationship Committee and Management Committee. Each of the said committee has been mandated to operate within a given framework.

BOARD OF DIRECTORS & THEIR MEETINGS

- Board Membership Criteria**

The criteria for Board membership is purely on the basis of expertise, skill and experience required to manage and direct the organization. The Board members are expected to be persons with vision, leadership qualities, proven competence and integrity, and with a strategic bent of mind. Each member of the Board of Directors of your Company is expected to ensure that his/her personal interest does not run in conflict with your Company’s interests. Moreover, each member is expected to use his/her professional judgment to maintain both the substance and appearance of independence and objectivity.

- Composition and Category of Directors:**

The Board is broad-based and consists of eminent individuals from industry, management, technical and financial background. The Company is managed by a judicious mix of Executive and Non-Executive Directors, as on March 31, 2016, the Board comprised of 6 (six) Directors, out of which 3(three) are Executive Directors and other 3(three) are Independent Directors. The Chairman of the Board being Promoter and Executive Chairman of the Company is a Non-Independent Director.

- Board Meetings:**

In the financial year 2015-16, the Board met six (6) times. The meetings were held on 6th April, 2015; 20th May, 2015; 13th August, 2015; 4th November, 2015; 30th January, 2016 and 12th March, 2016. The interval between the two meetings was well within the maximum period mentioned in Section 173 of Companies Act, 2013 and the Listing Regulations.

The details of each member of the Board along with the number of Directorships/ Committee Chairmanship, memberships held by them in other Companies and Attendance of Directors at the Board meetings and at the last Annual General Meeting are given below:

Independent Auditors Report

To,

The Members of

Ujaas Energy Limited

Report on the Standalone Financial Statements

We have audited the accompanying Standalone financial statements of Ujaas Energy Limited ("The Company") which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This Responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provision of the Act, the accounting and auditing standard and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as

evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company, so far as appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
 - c) The Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us.
 - d) In our opinion, the aforesaid standalone financial statements comply with the accounting standards specified under section 133 of the act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March 2016 taken on records by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company has disclosed the impact of pending litigations on its financial position in its financial statement – refer note 27 to the financial statements;
 - ii. The Company did not have any long term contracts including

derivative contracts for which there were any material foreseeable losses.

Annexure B to the Independent Auditor's Report of even date on the Standalone Financial Statements of Ujaas Energy Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Ujaas Energy Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1)

pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Independent Auditors Report

To,

The Members of

Ujaas Energy Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Ujaas Energy Limited (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding and its subsidiaries together referred to as “the Group”) comprising the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor’s Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s

judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company’s preparation and presentation of the consolidated financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company’s Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors’ in terms of their reports referred to in the Other Matters Paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2016, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Other Matter

We did not audit the financial statements of two subsidiaries whose financial statements reflect total assets of Rs.46.62 lakhs as at 31st March, 2016, net profit/(loss) of Rs. (48.49 lakhs) and net cash inflows amounting to Rs.3.50 lakh's for the year ended on that date as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amount and disclosures included in respect of this subsidiary and our report in terms of sub- section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by section 143 (3) of the Act, we report, to the extent applicable that:

a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have

been kept so far as appears from our examination of those books of the Holding Company. The two subsidiaries of the Holding Company are incorporated outside India hence requirements of section 143 (3) are not applicable to them.

c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements by the Holding Company. The two subsidiaries of the Holding Company are incorporated outside India hence requirements of section 143 (3) are not applicable to them.

d) In our opinion, the aforesaid consolidated financial statements comply with the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors of the Holding company, as on 31st March 2016 taken on records by the Board of Directors of the Holding Company, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of section 164(2) of the Act. The two subsidiaries of the Holding Company are incorporated outside India hence requirements of section 143 (3) are not applicable to them.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". The two subsidiaries of the Holding Company are incorporated outside India hence requirements of section 143 (3) are not applicable to them.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to be best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclosed the impact of pending litigations on the consolidated financial position of the Group – refer note 26 to the consolidated financial statements;
- ii. The Group did not have any long term contract including derivative contract for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding company. The two subsidiaries of the Holding Company are incorporated outside India hence requirements of section 143 (3) are not applicable to them.

Annexure A To the Independent Auditor's Report of even date on the Consolidated Financial Statements of Ujaas Energy Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2016, we have audited the internal financial controls over financial reporting of Ujaas Energy Limited ("the Holding Company").

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company which is a company incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, which is company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
